Subject: Ukrainian Contact with a Red Army General *Ukrainian*

1. In November 1946, [ ] was approached by a high ranking Ukrainian officer in Germany to initiate a contact with a Red Army general of Ukrainian origin, named Kassian. The name of the Ukrainian officer acting as intermediary will be supplied by [ ] at a later date when negotiations have progressed farther. *Coch*  
*Hungary*

2. This intermediary, also in the Red Army, had been a classmate of Kassian in one of the Russian military schools and later his instructor in the same institution (this name also is to be supplied later). The Ukrainian did not know [ ]' real name, but had approached him because he was known to be one of the leaders of the emigration. [ ], for security reasons, was unwilling to display much interest in Kassian's case and did not seek to renew the contact after his first meeting with the Ukrainian in November. When he returns from Rome, however, he hopes to investigate the details and possibilities further.

3. According to the Ukrainian intermediary, General Kassian is a Ukrainian stationed in Hungary. He is very strongly opposed to the Soviet regime and would probably give his support to the Ukrainian nationalist movement if he were properly approached.
